Dear Students,

Welcome to the 2019-2020 school year! I hope you had an enjoyable and relaxing summer. My name is Mr. Battersby and I am excited to join the staff of the Dr. Joyanne D. Miller Elementary School (JDMS) as the new Principal. Prior to joining JDMS, I have served as a teacher and educational leader for over 25 years. Most recently I served as the Principal of Fernwood Avenue Middle School for 11 years. Also joining the staff at JDMS are my Assistant Principals, Mrs. Marano (4th grade) and Dr. Singer (5th grade). Together our leadership team has over 75 years of experience in education and over 40 years in a leadership capacity.

The First Day of our new school year is Thursday, September 5th. There will be two abbreviated days to start our school year, Thursday, September 5th and Friday, September 6th. The arrival and dismissal times are 8:30 AM – 1:00 PM for both days. Also, JDMS will host its annual Back to School Night on Thursday, September 19 beginning at 6:30 PM. Please remind your parents to come out and meet our staff and become familiar with our school community.

In order to keep you and your parents up to date about events within the Egg Harbor Township School District and at the Dr. Joyanne D. Miller Elementary School, the following communication networks have been established.

- Our Infinite Campus Parent Portal allows parents to track their child’s academic progress throughout the year.
- School Messenger will be used for mass notification of events throughout the district.
- Agenda books will be provided to each student so they can document assignments and events.
- District, school, and individual teacher websites can be viewed at www.eht.k12.nj.us
- Miller School has Twitter and Facebook pages. Please follow us to get up to date information on events throughout the school year.
  - Instagram @ehtnjmillerschool
  - Facebook @ehtnjmiller
- The JDMS Student Handbook is available on our web page under the academic heading.

Please review the handbook to understand the district’s policies and practices.

Enjoy the remaining days of your summer vacation and I’ll see you on September 5th.

Sincerely,

Mr. Battersby
Principal
The Board of Education requires that the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of the state. The educational program offered by this district is predicated on the presence of the pupil and requires continuity of instruction and classroom participation. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Attendance at school may be excused for certain absences as defined by the Board. All absences for reasons other than excused, shall be unexcused.

Pupils absent from school for any reason are responsible for the completion of assignments missed because of their absence. No student excused for a religious holiday shall be deprived of an award or eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive the pupil of the classroom experience deemed essential to learning and may result in retention at grade level or loss of credit toward the high school diploma in accordance with policies of this Board.

Pupils shall be subjected to the school district response for unexcused absences during the school year as outlined in N.J.A.C. 6A:16-+7.8(a)4 and Regulation 5200. In addition, unexcused absences from school or from classes within the school day shall subject a pupil to the disciplinary rules of the Board, which may include the denial of a pupil's participation in co-curricular activities and/or athletic competition. Repeated truancies that interfere with efforts of this Board and its staff in the maintenance of good order and the continuity of classroom instruction may result in the suspension or expulsion of any pupil from the course of study during which absences have occurred in accordance with Policy Nos. 5610 and 5620.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate for the district or for a school in the district does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop performance objectives to improve pupil attendance.
“Attendance” is a pupil's presence in school and in the classroom to which he/she is assigned at the times scheduled for instruction or other school activities.

A pupil will be considered to have attended school if he/she has been present at least four and a half (4.5) hours during the school day.

A pupil not present in school because of his/her participation in an approved school activity, such as a field trip, meeting, cooperative education assignment, or athletic competition will be considered to be in attendance.

“Excused absence” is a pupil's absence from school for a full day or a portion of a day for one or more of the following reasons:

- The pupil's illness
- Family illness or death
- Educational opportunities
- Excused religious observances, pursuant to N.J.S.A. 18A:36-14 through 16
- Where appropriate, when consistent with Individualized Education Programs, the Individuals with Disabilities Act, accommodation plans under 29 U.S.C. §§ 794 and 705(20), and individualized health care plans pursuant to N.J.A.C. 6A:16-2.3,
- The pupil's suspension from school
- The pupil's required attendance in court

We encourage all parents to schedule these types of appointments at a time other than our regular school hours. Full days will not be excused for dental/orthodontic reasons unless otherwise specified by the doctor.

k. An absence for a reason not listed above, but deemed excused by the Principal or Designee, upon a written request by the pupil’s parent or legal guardian to the Building Principal or designee stating the reason for the absence and requesting permission for the absence to be an excused absence. Students in grades six through twelve will have to submit the written request to the principal on the within three school days.

No “blanket coverage” notes will be accepted; must state specific dates absent. The school physician may be asked to review any questionable medical situations. Altered notes will not be accepted. When verifying notes with a doctor’s office, if it is discovered that the note has been forged or stolen, the day will become an unexcused absence. No subsequent notes will alter that unexcused absence.

n. Written evidence of being free of communicable disease, in accordance with Policy No.

  8451, should be provided if the student was suspected a having a communicable disease.
3. “Truancy” is a pupil's absence from all or a part of the school day without the knowledge of the pupil's parent(s) or legal guardian(s). A pupil will also be considered truant if he/she:

a. Leaves school at lunch time without a pass,

b. Leaves school without permission when school is still in session,

c. Leaves class because of illness and does not report to the school nurse as directed, or

d. Is present in school but is absent from class without approval. Such truancy from class is a "class cut."

B. Notice to School of a Pupil's Absence

1. The parent(s) or legal guardian(s) or adult pupil is requested to call the school office at least fifteen (15) minutes prior to the start of the school day the morning of the pupil's absence.

2. The parent(s) or legal guardian(s) of a pupil who attended morning session but will not attend afternoon session should call the school office before 1:00 PM. to give notice of the pupil's absence.

3. The parent(s) or legal guardian(s) or adult pupil who anticipates a future absence or anticipates that an absence will be prolonged should notify the Principal or Designee, who will assist in the arrangement of make-up work.

4. In general, pupils will be allowed a minimum of one (1) day to make up missed work for each one day of absence. Teachers shall make reasonable accommodations to extend time for pupils.

E. Denial of Course Credit

1. The teacher will determine the credit to be awarded a pupil for make-up work, subject to the rules set forth in this section. Where class participation is a factor in the learning process, the teacher may consider a pupil's absences in determining a final grade, except that absences for the observance of a pupil's religious holiday or for a suspension from school cannot adversely affect the pupil's grade. The teacher may record an incomplete grade, in accordance with Regulation No. 2624, for a pupil who has not had full opportunity to make up missed work.
2. Minimum Attendance Requirements (Grades K through 8)

An elementary pupil will be retained at grade level, in accordance with Policy No. 5410, when he/she has been absent more than twenty (20) school days, whatever the reason for the absence, except that absences for the observance of religious holidays and during a pupil's suspension will not count toward the total. The attendance rate shall be calculated by dividing the total number of pupil days present for all pupils by the total possible number of pupil days present for all pupils and multiplying the result by one hundred.

2. When the average daily attendance rate for the district or for a school does not meet the New Jersey Department of Education requirements, performance objectives to improve pupil attendance pursuant to N.J.A.C. 6A:32-12.2(a)3 shall be developed.

The cashier will collect the envelopes in the morning and deposit the money in your child's account. No one will be able to differentiate between those students receiving free and reduced lunch and those who pay full price with the NutriKids System.

**Free or reduced lunch /breakfast form will be distributed early in the school year.**

Please avoid packing soda and junk food in your child’s lunch. Including water, milk, juice, sandwiches, fresh fruits, vegetables and healthy snacks promotes good health practices, which contributes to the reduction of incidences of obesity, heart disease, dental decay and other health problems.

TRANSPORTATION

Student Pick Up and Drop Off Locations
Due to the rapid growth of the Egg Harbor Township School District and the desire to insure the health, safety and welfare of the students of the district, this policy limits the number of pick-up and drop-off locations for each student.

Parents and students are limited to a single morning pick-up location and a single afternoon drop-off location that are to be consistent throughout the year. Due to the volume of students being transported, daily changes to these locations can no longer be honored.
Request for Changes in Original Student Pick Up and Drop Off Locations

No transportation changes will be made during the first two weeks of school.

Changes to the original pick-up and drop-off assignments will be considered only under the following circumstances: change of residence within the district, a change in before school and/or after school child care arrangements and unusual circumstances deemed to be an emergency by the district’s transportation department.

Should a parent request a transportation change for their child to and from school, to a location other than the student’s residence they must submit a Certificate of Transportation Change form to the Transportation Office, in writing, dated, giving the reason for the requested change. The Transportation Coordinator will review the request and render a decision. A response will then be given to the parent/guardian within two school days after the Transportation Coordinator receives the request. If the request is approved, there will be a 3 school day waiting period for the change to take effect. Transportation changes will be considered only if the arrangements are the same everyday, Monday-Friday. No sporadic schedules.

If a decision cannot be made within two school days as stated above, the parent/guardian would be notified that the request would have to go to the transportation committee for review. At that time, the parent/guardian will be advised when the next transportation committee meeting will be held and at what date a reply would be given to the parent/guardian.

When a parent/guardian requests a change in bus stop they agree to release and discharge the Board of Education, its agents, servants and employees of and from any liability arising from the requested change in bus stop.

- Sports equipment from home is not permitted. It will be confiscated and parents/guardians will have to pick it up.
- No tackle football, wall ball or keep-away should be played. Many times such games surface negative behaviors.
- If problems occur, students are to report such immediately to a supervising teacher on duty.
- Students should walk to the playground area in an orderly manner.
- Fighting, pushing, horseplay, or throwing stones, rocks or sticks are dangerous and will not be tolerated.
- Students must remain in the playground area designated.
- No groups of students should be bothering other students or pulling on their clothing during recess.

**Types of Discipline**

1. **Teacher Detention:** Detention after school on *Tuesdays and Thursdays until 3:30 P.M.* Students will report to the teacher’s class immediately after school with work. Parents/guardians will have been notified prior to their child’s after school detention.

2. **Lunch / Recess Detentions:** Detentions issued by teachers or administration occurs during the lunch or recess times. Students serving lunch detentions remain with staff in the cafeteria during recess after lunch. Students serving detentions for other reasons remain in a designated team area room with a teacher.

3. **Administrative Office Detention:** Students serving this detention is a result of a more serious offense and will serve it *after school (Tuesdays and Thursdays)* in the administrator’s area. Students must bring work or reading material to complete until 3:50 P.M. Bus transportation will only be provided from November – April.

4. **Alternative Educational Placement AEP:** Students serving an *in-school suspension* is a result of a repeated/serious offense, students will spend half or the full day in a specified room with teacher supervision.
5. **Bus Suspension:** Parents are to provide transportation to and from school during the time of bus suspension.

If parents/guardians are unable to provide transportation, the day(s) are unexcused.

6. **Out of School Suspension:** This is the most serious disciplinary action taken by school administrators. During this time, suspended students may not participate in any phase of the school program during the day or after school functions.

When a pupil is suspended from school, he/she may not be in the building or on any school district grounds, including other schools, at any time during the length of the suspension.

**Academic Honesty**

Students are expected to demonstrate honesty and integrity while in attendance at the Dr. Joyanne D. Miller Elementary School. Each student is expected to do his/her own work. All work submitted by a student should be a true reflection of his/her own effort and ability. Any deviation from this is considered unacceptable behavior.

**Cheating is unacceptable academic behavior.** Cheating is representing someone else’s work as one’s own. Any form of cheating to any extent is wrong. Whether you give or receive information on a test or on assignments the offense is the same and you will receive a zero (0) for the work.

The classroom teacher is the arbiter as to whether or not cheating has occurred. Incidents of plagiarism must be judged by the teacher, as always in light of what the teacher has taught and what the teacher expects the students to learn.

**Report Cards, Parent Conferences**

It is the responsibility of the teacher to keep you informed on a regular basis on your child’s progress in school. If you wish to discuss this with your child’s teacher, please call for an appointment. Report cards will be sent home three (3) times during the year. Parent/Teacher conferences are held in the fall.

**Parents Desiring Conferences**

(Other than regular scheduled conferences)

All parents/guardians are requested to call the school for an appointment if they want a conference with any staff member. Please do not come in and expect a conference if no appointment was made.

**Counseling Service**

The School Counselors provide a wide spectrum of services to students, which include academic, social and emotional support. All services are intended to promote the successful growth of your child.
Parents or guardians who do not wish to have their child participate in a particular aspect of counseling services should submit a request in writing to the building Principal.

Contact your child’s counselor with specific questions or concerns by phone at anytime. You can locate the name of your child’s counselor by using the list of classes and their counselors at the end of the Student Handbook. Each classroom teacher has been provided a specific counselor for your child.

You will receive communications as to the various counseling services/programs available for your child.

INTERVENTION AND REFERRAL SERVICES

The Intervention and Referral Services (I&RS) Committee exists in order to comply with N.J.A.C. 6A: 16-7. These regulations require district boards of education to:

“…establish and implement a coordinated system in each school building for the planning and delivery of intervention and referral services that are designed to assist students who are experiencing learning, behavior, or health difficulties…” [N.J.A.C. 6A: 16-7.1(a)]; and which are designed to:

“…assist staff who have difficulties in addressing students’ learning, behavior, or health needs.” [N.J.A.C. 6A: 16-7.1(a)]

Referral to the I&RS Committee should be considered prior to making a referral to the Child Study Team. However, it should be noted the I&RS process may not be used to delay obvious and appropriate referrals to special education. (N.J.A.C. 6A: 14-3 et seq.).

The following procedure will meet the mandate stated above.

1. A student experiences difficulties in the classroom and the teacher implements his/her own strategies to assist the student. The teacher maintains documentation of those strategies attempted including the outcomes achieved as a result of the attempted strategies.

2. If the problem persists, the teacher completes the I&RS referral form and submits it to the Intervention and Referral Services Coordinator. The referral is discussed at a meeting with the members of The Intervention and Referral Services Committee and other appropriate personnel.
3. The referring teacher informs the parent of the concerns and the pending referral to the I&RS Committee. The I&RS team coordinator will schedule a meeting with the teacher, parents, and members of the I&RS Committee. During the meeting, an intervention plan is developed with timelines.

4. A follow-up meeting is then scheduled, where existing strategies are evaluated and modified if necessary, and additional strategies are added.

5. If warranted, a child study team evaluation may be requested.

**HOMEWORK HINTS**

Homework provides the opportunity for your child to practice, test, and commit to memory the lessons of the school day. It also helps the teacher determine what is being learned and what, if any remedial lessons need to follow. It also helps develop a sense of responsibility in your child as well as organizational skills.

Decide with your child on a regular homework time. Consistency and being included in the decision making process will aid in the development of good work habits.

Help your child set up a homework spot - a quiet place in the house where there will be no interruptions and where reference materials will be available.

Make yourself available to answer questions and give assistance when necessary. Your help is important so that assignments are completed and turned in to the teacher on a timely basis.

Provide your child with an assignment notebook. This will prevent lost assignments.

Homework is an excellent way for your child to share with you his/her schoolwork and accomplishments. It should be positive for both of you.

**INTERIM REPORTS**

Interim reports will be sent home **ONLY** if your child is **NOT** meeting the standard and there is a concern.

**PROMOTION POLICY – GRADES K - 6**

The criteria for promotion will include factors involving the child's progress academically, socially, emotionally and physically. Special education students will progress through the grade levels based on the recommendations written into their Individual Educational Plans (IEP).

To be promoted a student must pass Reading and Mathematics. However, any student one-year below level in Reading and/or Math will be a candidate for retention. Additionally, students in Grades 3 through 6 must pass any two of these subjects: Spelling, Language Arts, Science and Social Studies.

**NURSING CARE**
Our school nurses are available for any emergency and may be reached at their office:

Mrs. Michelle Korte 407-2500 ext.2311 or Mrs. Lahey 407-2500 ext. 2310

For the protection of your child and his/her classmates, your child should be kept home if he/she has been ill during the night or in the morning. Sending a child to school when ill may delay his recovery and spread infection to other children. It may also necessitate a trip to school by the parent to take the child home.

Students who are excused from Physical Education may not participate in recess for safety reasons.
